MEMORANDUM FOR SECRETARY-DESIGNATE LAIRD

From: Henry A. Kissinger

Subject: Vietnam Alternatives

Attached is a paper on Vietnam alternatives which I have prepared at the direction of the President-elect. I have given him a copy of this draft.

Subject to your comments, I expect formally to send the paper--perhaps with some revisions--to the NSC members on January 20 for discussion at an NSC meeting on January 25. In the interim, the President-elect has directed that the paper be given very limited distribution, and that the attached copy should therefore be restricted to yourself and David Packard.
